

UQ Program

Analysis

Thomas Cranny

What and Why?

# What?

Web-App (?) to analyse the programs UQ offers.

# Why?

- Doing a dual degree at UQ is confusing.
  - No course plan.
  - Two separate faculties to liaise with.
- Interesting and relevant data-set to me.

# Introduction to UQ

## UQ has six faculties:

1. **BEL**: Business, Economics and Law
2. **EAIT**: Engineering, Architecture, and IT
3. **HABS**: Health and Behavioural Sciences
4. **HASS**: Humanities and Social Sciences
5. **MBS**: Medicine and Biomedical Sciences
6. **Science**

# Faculties Offer Singular *Programs*:

*Degrees or Diplomas*

~100 single programs offered

# Programs Offer Majors

Specialisations on a topic

Some programs can be done together

*Dual Degrees*, which are programs themselves.

# Dual Degrees

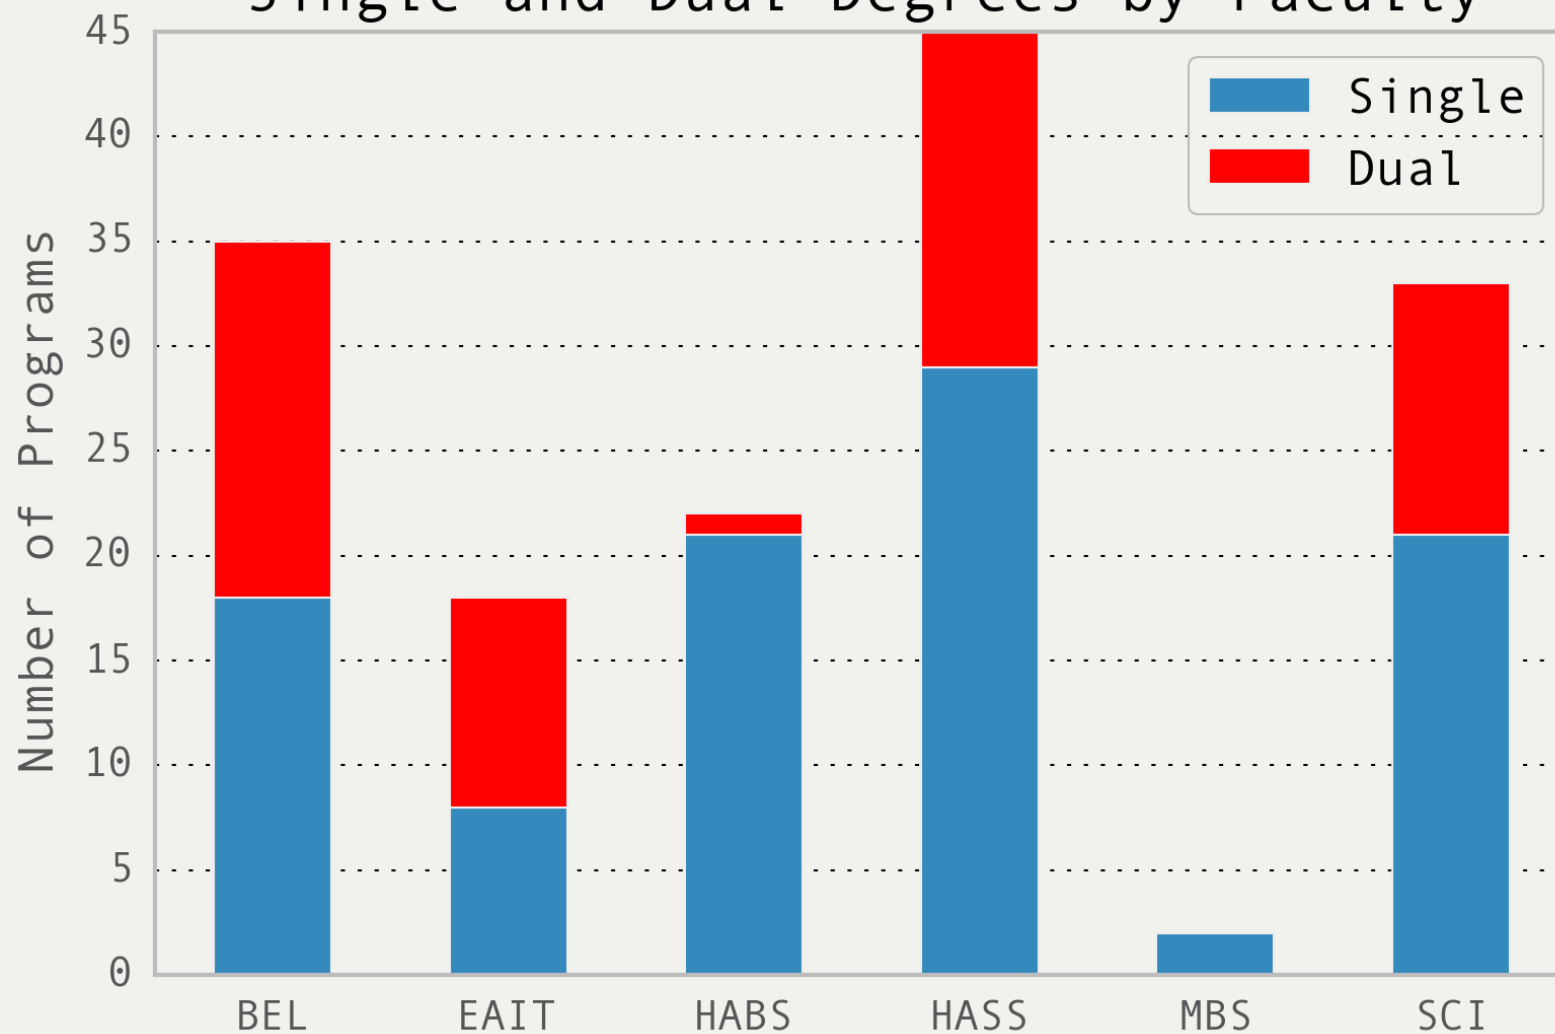

May have specific cross faculty Majors, or multiple from the constituent Programs.

~30 Dual Degree programs offered

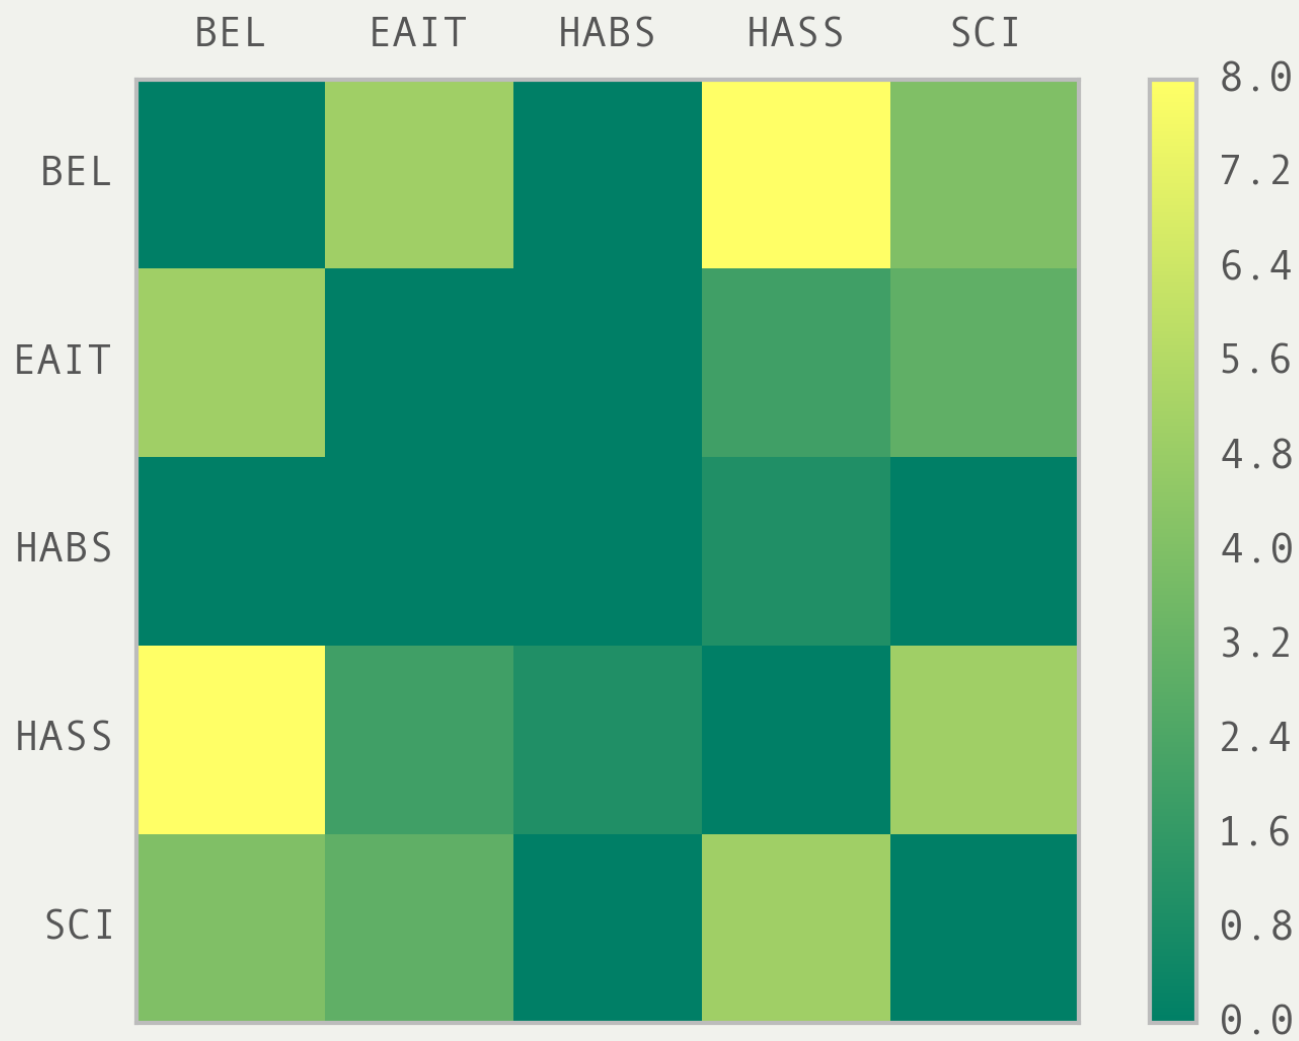

# Analysis

Faculties and Programs

# Single and Dual Degrees by Faculty

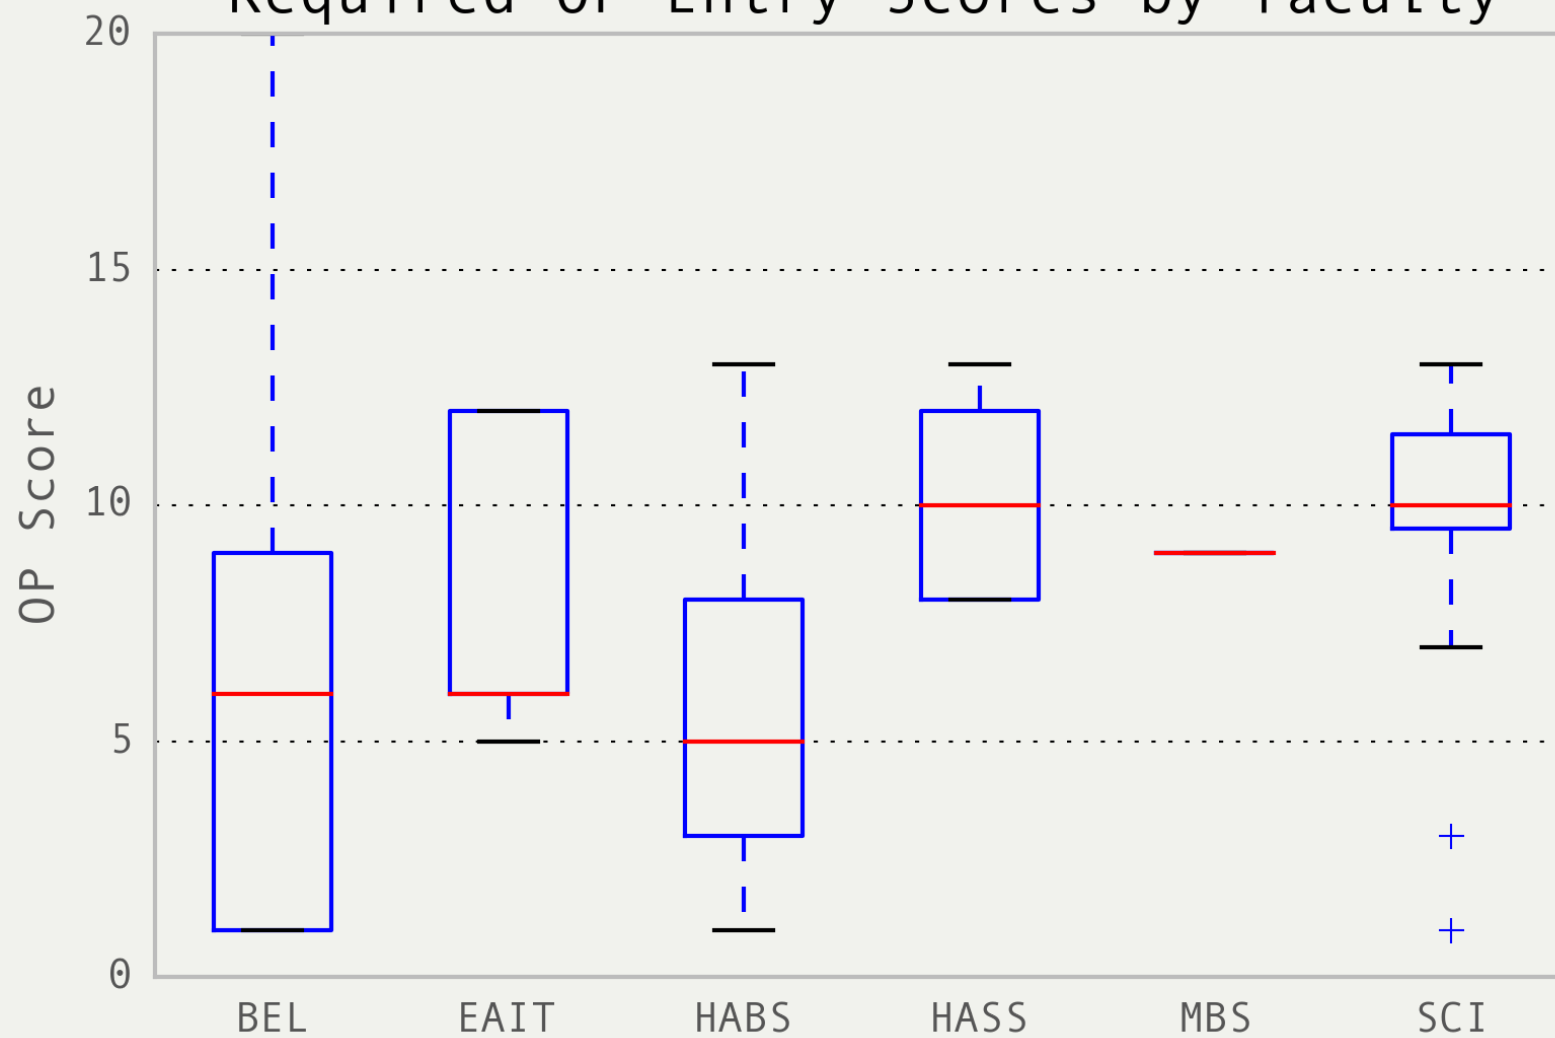

Where are the Dual Degrees  
being shared?

# OP Scores

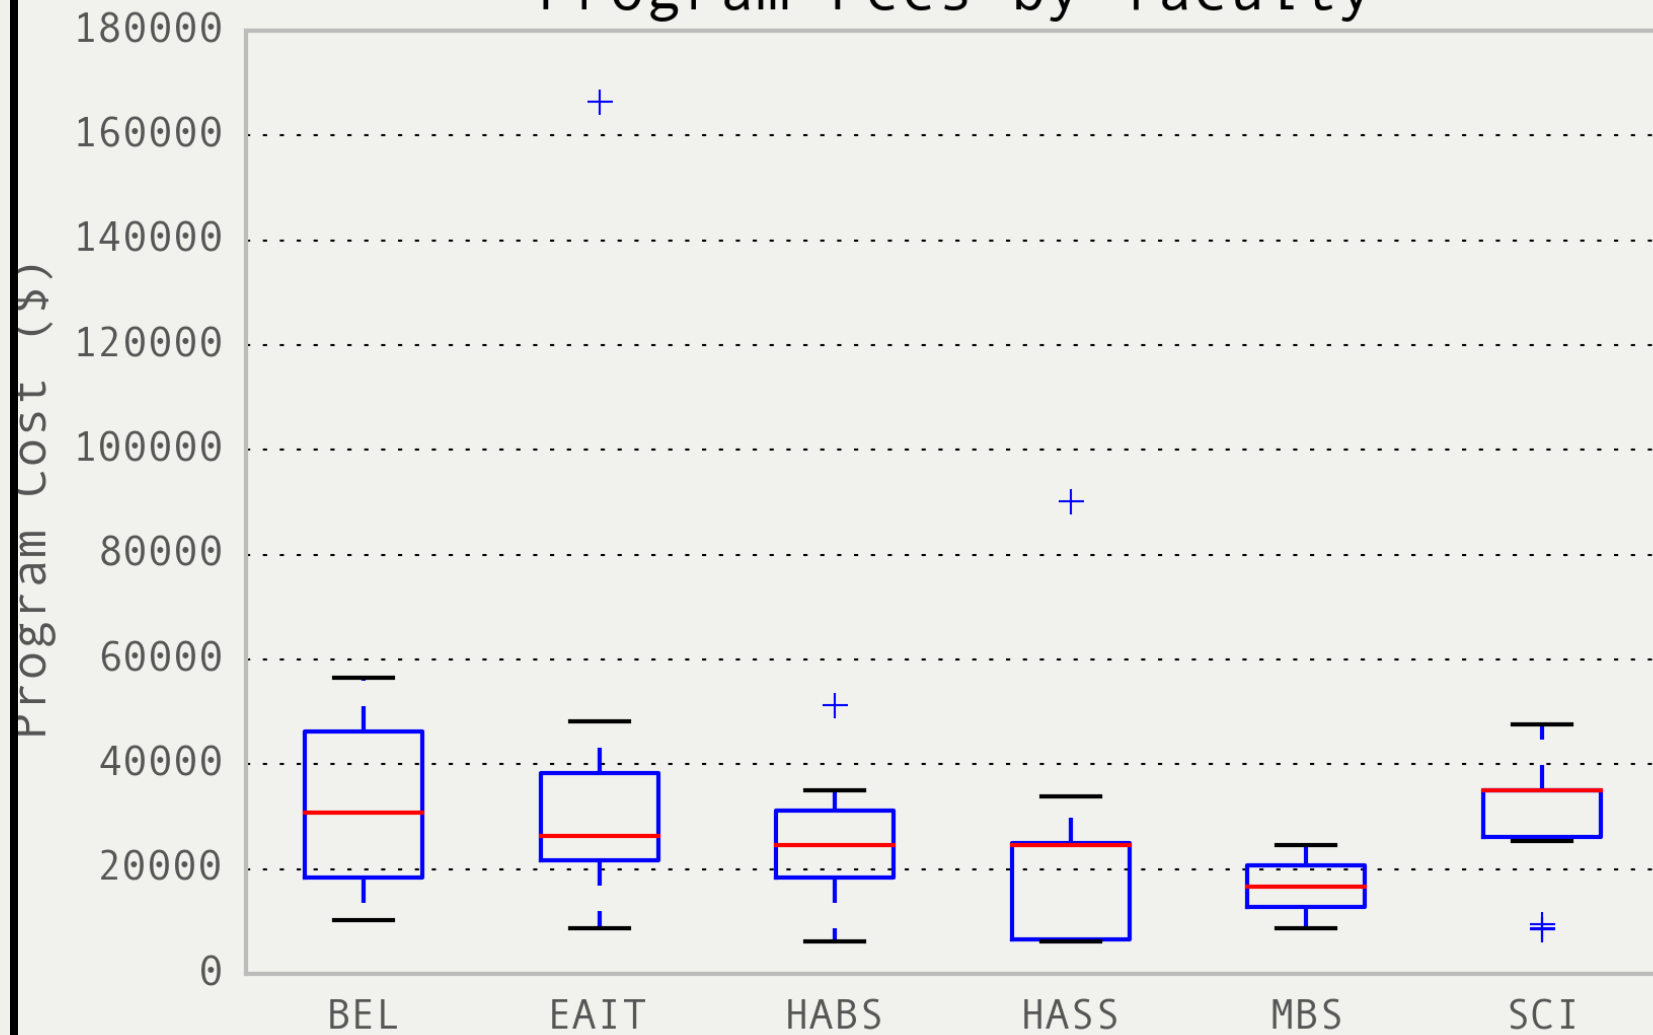

Required OP Entry Scores by faculty

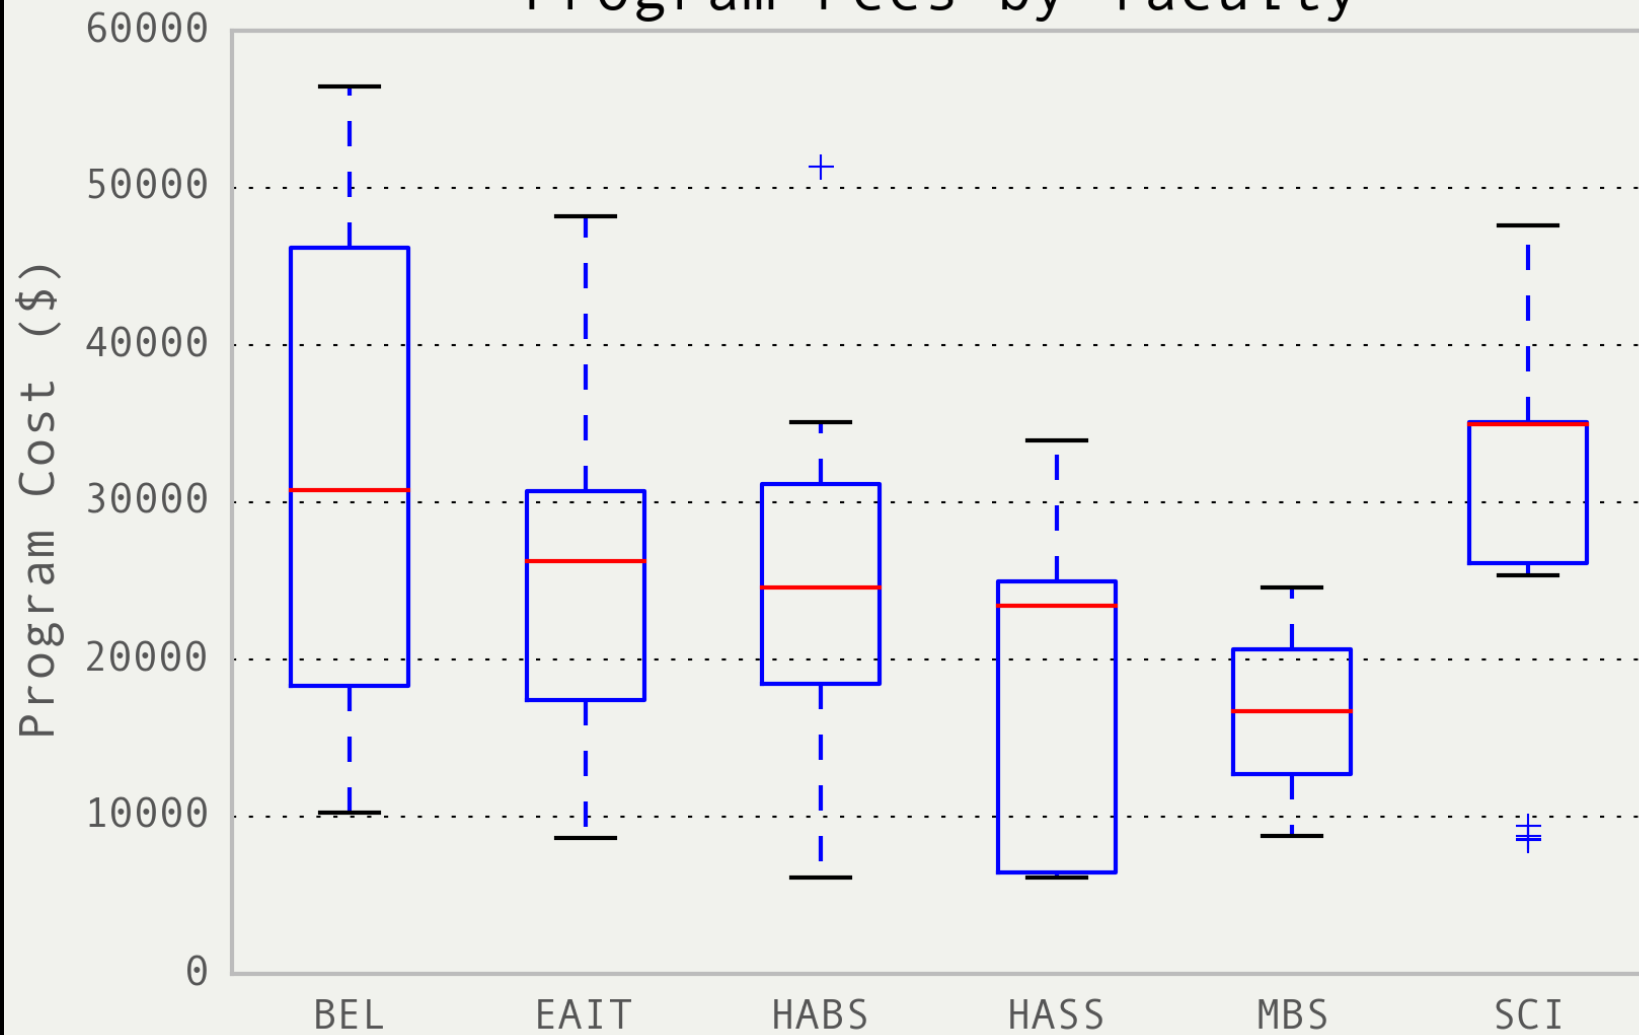

# Program Fees

Program Fees by faculty

Program Fees by faculty

OP and Cost

Program Fees vs. Entry OP score
